

CHRISTIAN CORONA

FULL STACK DEVELOPER

Buenos Aires, Argentina · +54 9 1132006857 · chriscoronab@gmail.com
LinkedIn: [chriscoronab](#) · GitHub: [chriscoronab](#) · Portfolio: [christiancorona.vercel.app](#)

Full Stack Developer with over 1 year of experience in developing intuitive and efficient web applications, using technologies such as **JavaScript**, **TypeScript**, **React**, **Next.js**, **Node.js** and **Express**. Specialized in creating high-performance solutions, ensuring code quality through best practices and attention to detail. Committed to continuous learning to expand my technical skills and collaborate on challenging projects.

PROFESSIONAL EXPERIENCE

No Country

Full Stack Developer

Remote

September 2024 – Present

- Participated in the development of two web apps, Best Friend and Soundbit, collaborating with a multidisciplinary team to create functional and innovative solutions.
- Contributed to the implementation of key features and code optimization, applying modern technologies and best development practices.
- Focused primarily on frontend development, using technologies such as **JavaScript**, **React**, **Next.js**, **Tailwind** and **Bootstrap** to create dynamic, intuitive and responsive interfaces.
- Implemented Agile methodologies (**Scrum**) in project management, ensuring timely deliveries.
